Dear Corporate Sponsor,

The Amador STARS are excited to bring a new event to our community! After 13 years, we are saying good bye to Camp Out for Cancer and hello to our **1st Annual Amador County Band Against Cancer** on September 9th at the Italian Picnic Grounds in Sutter Creek.

This inspiring community event will feature an **all-day live music festival** by local musicians donating their time. Other activities will include a **caregiver pinwheel garden, a cancer survivor celebration, craft fair, quilt show & sale, raffles, food booths, and a Fun Zone for the kids**. In the evening there will be a **Candlelight Illumination Ceremony** honoring those touched by cancer, as well as a **BBQ Dinner & Dance**. By choosing certain corporate sponsorships, you will be entitled to BBQ Dinner/Dance tickets, or ask about our presale tickets.

We do hope you can attend and see what it's all about! Bring your family and friends! Our goal is to fill the outdoor dance hall at the Italian Picnic Grounds with community members sharing fellowship and raising funds for Amador STARS! This is a community event and it certainly does take a village to make it happen.

Amador STARS began in 2004 with one van transporting patients to radiation treatments only. We now have seven vans that transport patients to radiation and chemotherapy appointments in Amador, Calaveras, San Joaquin, El Dorado, Placer and Sacramento counties and trips to the greater San Francisco Bay Area. Over 40 volunteers take turns driving cancer patients to their treatment appointments. We are a volunteer-driven organization, with only one paid part-time office manager. The entire Board of Directors are volunteers!

Thanks to generous support from corporate sponsors like you, we have been able to continue serving the local community. In fact, the demand for our free transportation and support services is at an all-time high – we logged over 100,000 miles in 2016! STARS serves those in need with a lending library, free wigs, caps and scarves. We also offer support groups to cancer patients and their families. All these free services are made possible because of the generosity of our community and our sponsors.

As we enter our 14th year as a nonprofit organization, our budget remains stretched with vehicle expenses, and we hope that you will be able to help support STARS so that we may continue to support local patients on their cancer journey.

Please choose an appropriate sponsorship level from the choices on the reverse of this letter, and return your donation and completed sponsorship form before June 30, 2017. This will ensure that you are included in local press coverage of the event and obtain all benefits of your sponsorship. Some sponsorship levels are limited, so please return your sponsorship as early as possible. If you cannot commit by that date, we will of course accept sponsorships at any time.

Thanks for taking the time to consider our request. Together, **WE DO** make a difference in the fight against cancer in Amador County.

Sincerely,

Donna Jackson & Ginger Rolf
