Dear Friend,

Amador STARS is hopeful that we can once again gather at our 5th **Annual Amador County Band Against Cancer** on September 10th at the Italian Picnic Grounds in Sutter Creek. We are in the planning stages for our event, and will adjust as public health orders mandate.

Band Against Cancer features an **all-day live music festival** by local musicians donating their time. Other activities will include **wine and beer tasting pavilion, a celebration of honored guests, craft fair, quilt show & sale, raffles, food booths, and a fun zone for the kids**. In the evening there will be a **BBQ dinner** followed by a **Candlelight Illumination Ceremony** honoring those touched by cancer.

We do hope you can attend and see what it's all about! Bring your family and friends! Our goal is to fill the Italian Picnic Grounds with community members sharing fellowship and raising funds for Amador STARS! This is a community event and it certainly does take a village to make it happen.

Amador STARS began in 2004 with one van transporting patients to radiation treatments only. We now have eight vehicles that transport patients to radiation and chemotherapy appointments in Amador, Calaveras, San Joaquin, El Dorado, Placer and Sacramento counties as well as trips to the greater San Francisco Bay Area. Over 25 volunteers take turns driving cancer patients to their treatment appointments. We are a volunteer-driven organization, with only one paid part-time office manager. The entire Board of Directors are volunteers! During the COVID pandemic, Amador STARS continues to transport patients to treatments following new safety guidelines.

Thanks to generous support from corporate sponsors like you, we have been able to continue serving the local community. Our free transportation and support services are still in demand. In 2021, we traveled 70,000 miles! STARS serves those in need with a lending library, free wigs, caps and scarves. We also offer support groups to cancer patients and their families. All these free services are made possible because of the generosity of our community and our sponsors.

As we enter our 19th year as a nonprofit organization, our budget remains stretched with vehicle expenses and higher fuel costs. The COVID pandemic has dramatically reduced our fundraising. We hope that you will be able to help support STARS so that we may continue to support local patients on their cancer journey.

Please choose an appropriate sponsorship level from the choices on the reverse of this letter, and return your donation and completed sponsorship form before May 20, 2022. This will ensure that you are included in local press coverage of the event and obtain all benefits of your sponsorship. Some sponsorship levels are limited, so please return your sponsorship as early as possible. If you cannot commit by the deadline, we will of course accept sponsorships at any time.

Thanks for taking the time to consider our request. Together, **WE DO** make a difference in the fight against cancer in Amador County.

Sincerely,

Donna Jackson & Ginger Rolf
