### Youth Chaperone Agreement 2018 - Guidelines and Rules

Thank you for being a youth chaperone at the Band Against Cancer. We are not holding a youth chaperone meeting this year, but instead are sending you this outline about being a youth chaperone. Please sign and return the notice below by July 31 that you received this letter.

The guidelines and rules of Band Against Cancer will be mailed to each participant before the event. Please discuss with each of your youth as they arrive at the event. We are gathering for the purpose to support those touched by cancer. While the event is a fun-filled family event, we must remember the main purpose of why we are there. Everyone is being informed so that the event go safely and smoothly. If everyone respects the Italian Picnic Grounds, the boundaries and one another, then we should have a wonderful event. That is our goal -- to not have to police the Band Against Cancer. All attendees should respect the property and the people at the event.

The ratio we will follow is: 1 chaperone per 8 youth at all times at the event. CHAPERONES MUST BE 25 YEARS OF AGE OR OLDER.

YOUTH CHAPERONES must know the location of your youth at all times. Youth wristbands will be issued to the team chaperones, and must remain on those ages 5-18 while at event. Name and team number are included. Please be sure to secure these on your youth so they cannot share a wristband with a friend.

The team chaperones will be given a roster of team members with phone numbers. Be sure this remains in the team area in case someone needs to be phoned.

During the Illumination Ceremony, all youth are to be seated quietly with chaperones. The Illumination Ceremony is solemn event and should be treated as such. **Please whisper and turn your cell phone off during the ceremony.** . If walking during that time, please walk silently. Reflect on why you are there.

Thanks for being part of Band Against Cancer, and we hope you enjoy the event.

====Please return this portion of the form by July 31=====

I agree to chaperone the youth on team # \_\_\_\_ at the Band Against Cancer and will be sure to review the rules with the youth on my team. I shall enforce the rules so that the event can remain a positive reflection of the support that cancer patients and their families should receive.
