What is Band Against Cancer?

Band Against Cancer is a community banding together to support and honor family, friends and neighbors touched by cancer. Enjoy free live entertainment at our all day music festival! We will honor survivors at a special brunch in the morning, and remember those touched by cancer at a candle light luminary ceremony in the evening. Throughout the day there will be a fun zone, crafts, quilt sale, raffles, food and more! We will sell a limited number of tickets for our old fashioned BBQ Dinner & Dance in the evening.

Funds raised will help Amador STARS continue helping those on their cancer journey. Join a team and spread the message of hope, that together we can eliminate cancer!

Who are the Amador STARS?

The Amador STARS (Cancer Support, Transportation and Resource Services) formed in 2004 when local cancer activists decided to start raising money for local cancer needs. We are proud to be celebrating 14 years and over \$1 million raised!

STARS has a local office with a staff person available to answer questions about services available to cancer patients and survivors -- from free wigs, hats and scarves to anyone going through cancer treatment, to what forms of support are available locally for patients and survivors. STARS provides free patient transportation to radiation and chemotherapy treatments. STARS has also been instrumental in helping with a local infusion center, which will mean shorter trips to treatment for many cancer patients.

All money raised stays in Amador County, except for a portion that is donated to cancer research. STARS is proud to help meet local cancer needs AND assist in the search for a cure.
