## Team Captain - Things You Need To Know!

- **Sponsorship for a team is \$150**, payable to Amador STARS. Once your sponsorship has been paid, you will become an official team. Sponsorship should be paid within 30 days.
- **You are team number \_\_\_\_\_**. Your team number is very important. All team donations must be identified with their team number in order to get team credit. Please stress this point with all your team members!
- **NEW THIS YEAR! We are offering quick and easy online registration** at [amadorstars.org/register.html](http://amadorstars.org/register.html)  
Please encourage your team members to register online! Individual team members (*including captains and co-captains*) must register online or fill out a **Team Member Registration Form** (green sheet) by July 31 to order event t-shirts. Captains can collect these forms from team members and turn them in together if preferred.
- We suggest that you ask team members to raise a minimum of \$100 each for the team effort. Team members who turn in at least \$100 by July 31 will receive a free event t-shirt.
- Set a team goal and plan fundraisers (car wash, bake sale, bingo, etc.). **Illumination candle orders** can also go toward team fundraising, but they must be identified with your team number in order to get team credit.
- Teams can participate in the **Quarter Challenge** by collecting quarters. Tell your team members to bring all their quarters to the event, then collect the quarters and turn them in at the event. There will be a contest to see who collects the most quarters!
- Donations are collected before the event. They can be turned in any time by team members or captains. **Deposit forms** (yellow) are included in each team member packet.
- **Please be sure you or a co-captain attends each captain's meeting**. We will distribute team materials and answer questions at these meetings. The meeting schedule is on the next page.
- **Communicate with your team!** Keep them informed about the event.
- All forms are available online at [www.amadorstars.org](http://www.amadorstars.org), at the STARS office, and at team captain meetings. Collection and pre-addressed envelopes are also available.
- **If you'd like to know who donates to your team, ask your friends to send donations directly to you, not to the STARS office.**

### Youth Chaperone Agreement 2017 - Guidelines and Rules

Thank you for being a youth chaperone at the Band Against Cancer. We are not holding a youth chaperone meeting this year, but instead are sending you this outline about being a youth chaperone. Please sign and return the notice below by July 31 that you received this letter.

The guidelines and rules of Band Against Cancer will be mailed to each participant before the event. Please discuss with each of your youth as they arrive at the event. We are gathering for the purpose to support those touched by cancer. While the event is a fun-filled family event, we must remember the main purpose of why we are there. Everyone is being informed so that the event go safely and smoothly. If everyone respects the Italian Picnic Grounds, the boundaries and one another, then we should have a wonderful event. That is our goal -- to not have to police the Band Against Cancer. All attendees should respect the property and the people at the event.

The ratio we will follow is: 1 chaperone per 8 youth at all times at the event. CHAPERONES MUST BE 25 YEARS OF AGE OR OLDER.

YOUTH CHAPERONES must know the location of your youth at all times. Youth wristbands will be issued to the team chaperones, and must remain on those ages 5-18 while at event. Name and team number are included. Please be sure to secure these on your youth so they cannot share a wristband with a friend.

The team chaperones will be given a roster of team members with phone numbers. Be sure this remains in the team area in case someone needs to be phoned.

During the Illumination Ceremony, all youth are to be seated quietly with chaperones. The Illumination Ceremony is solemn event and should be treated as such. **Please whisper and turn your cell phone off during the ceremony.** . If walking during that time, please walk silently. Reflect on why you are there.

Thanks for being part of Band Against Cancer, and we hope you enjoy the event.

====Please return this portion of the form by July 31=====

I agree to chaperone the youth on team # \_\_\_\_\_ at the Band Against Cancer and will be sure to review the rules with the youth on my team.

I shall enforce the rules so that the event can remain a positive reflection of the support that cancer patients and their families should receive.
