## **DUNK TANK DARE**

Join us in raising funds for local cancer needs by participating at the Dunk Tank in the Fun Zone. Dunk local personalities! Let's have fun while we band together to stop cancer!

Since 2001, Amador County has been fundraising for local cancer patients. With your help over the past 18 years, Amador STARS has raised over \$1.7 million!

**This money goes to:**

- ★ Purchase and maintain a fleet of 9 vehicles for patient transportation
- ★ Provide a local office to answer questions and provide free patient transportation, free wigs, beauty advise, caps, scarves and assistance.
- ★ Donate over \$88,000 to cancer research

Your contributions make a difference in the lives of local cancer patients and their families.

STARS is blessed with a village of volunteers who help us to raise funds, drive the patients, and celebrate life. During the pandemic while most of our community was slowed to a crawl, Amador STARS continued to get cancer patients to the treatments they had scheduled.

In the last 2.5 years, STARS volunteers have driven patients 250,000 miles to cancer-related treatments!
