With your help over the past 14 years, Amador STARS has raised over \$1.2 million!

This money goes to:

- ★ Purchase and maintain fleet of 7 vans
- ★ Provide a local office to answer questions and provide free patient transportation... over 100,000 miles last year!
- ★ Give free wigs and beauty advice to chemotherapy patients
- ★ Donate over \$78,000 to cancer research

Your contributions make a difference in the lives of local cancer patients and their families. STARS is about community. It takes a village of over 40 dedicated volunteers to get cancer patients to their appointments. This year through July, Amador STARS drove over 56,000 miles to Amador, El Dorado, Calaveras, San Joaquin, Sacramento, Contra Costa, Placer, San Francisco, & Santa Clara Counties. We get the patients where they need to go! We salute our superhero volunteers and we thank you for your support!
